

Request For Quotation

Price quotations are currently being accepted until 5:00 P.M., local time, on September 22, 2006, for enhancements to and upgrade of the sound amplification system for one of the courtrooms of the United States Court of Appeals for the Sixth Circuit. Generally, the sound system components are over twenty years old and are exhibiting signs of age. In addition, the Court desires to provide a telephone interface with the sound system so as to be able to conduct hearings telephonically.

Outlined below are the components to be purchased and installed. Quotations must include individual unit prices along with extension totals and a grand total for all components, materials, connectors, hardware and installation costs. Consideration will be given to not only price but vendor experience in prior installations performed in court settings.
